**ACDC**

Advocacy Center For Democratic Culture

## Po vašem mišljenju, šta šira albanska zajednica misli o Sporazumu o pravosuđu?

Najveći broj ispitanika odgovara da ne zna, nije upućena, ne interesuje ih...

Jedan broj ispitanika smatra da albanska zajednica misli pozitivno o SPu. I to zato: što se time “zaokružuje kosovska državnost, širi suverenitet”, ili s druge strane zato što se SP vidi kao instrument u pridruživanju Evropskoj uniji.

Jedan broj smatra da albanska zajednica misli da je SP loš: “jer je potpisan u korist Beograda”, jer im ne odgovara vladavina prava, njime KS “gubi na ustavnosti”, nije ustavan “što se može zaključiti na osnovu protesta opozicije” ne odgovara im dogovor o broju sudija/tužilaca na osnovu etničke pripadnosti, da je “netransparentan i da se time štiti sever”.

Preostali ispitanici smatraju da albanska zajednica ne zna dovoljno o sporazumu, da nije informisana (“Verujem da kada bi bila u dovoljnoj meri upoznata sa sadržajem, da bi ga većina podržala, zato što se na taj način ukidaju sudske institucije koje su funkcionisale po sistemu i zakonima Srbije i stavljaju pod sistem pravosuđa Kosova”), ali i da ih “niko ništa ne pita” .

**National Endowment  
for Democracy**  
*Supporting freedom around the world*

 **ACDC**  
Advocacy Center For Democratic Culture

## Po vašem mišljenju, šta šira srpska zajednica misli o Sporazumu o pravosuđu?

“Nemaju poverenje” u Sporazum o Pravosuđu i njegovoj primeni, “uplašeni”, “skeptični”, “zbunjeni”. Nemaju dovoljno informacija i “niko ih ništa ne pita”.

Većina ispitanika smatra da je mišljenje srpske zajednice o SPu negativno jer “dovodi do gašenja srpskih institucija”, da je neustavan; da, iako je vladavina prava potrebna, primena SPa to neće obezbediti i građanima neće biti ništa bolje zbog moguće zloupotrebe od strane Prištine, političkog uticaja, pristrasnosti sudija; srpskim sudijama je u nadležnost data samo prvostepena praksa i dr.

Oni koji smatraju da srpska zajednica doživljava SP pozitivno, navode sledeće razloge : primena SPa će doneti nova radna mesta, poboljšati položaj Srba, bolje regulisati zakon, da će konačno Srbi ostvariti tako svoja prava, da će olakšati i poboljšati svakodnevni život građana na Severnom Kosovu.

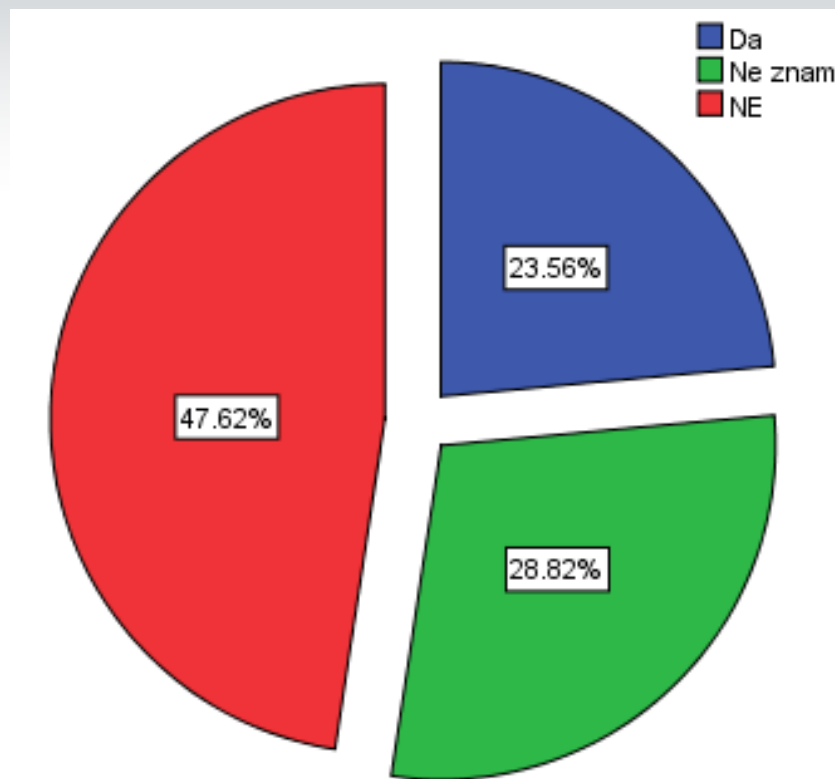

“Pitanje je glupo jer ne treba da se bavi hipotetičkim spekulacijama”
